PRAYER FOR THE SICK

Father, your son accepted our sufferings to teach us the virtue of patience in human illness. Hear the prayers we offer for our sick sisters and brothers. May all who suffer pain, illness or disease realize that they have been chosen to be saints and know that they are joined to Christ in his suffering for the salvation of the world. Amen.

The flowers on the Altar were donated for the greater glory of God, in memory of Edmond & Edwina Kaminski, by Joseph, Kimberly and Adalyn Randall.

NOVEMBER 6, 2024 - ELECTION MESSAGE FROM BISHOP JOE S. VASQUEZ:

My Brothers and Sisters,

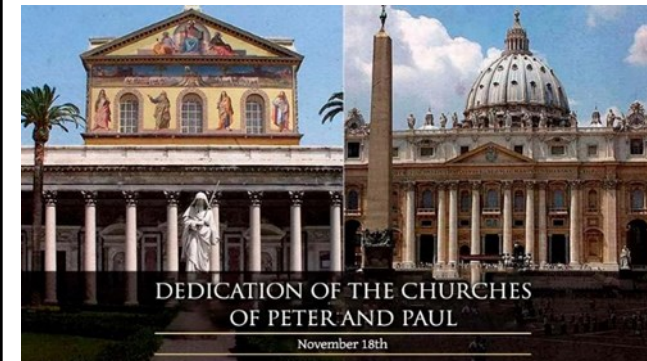

Today, we are greeted by the news of newly elected leaders. Let us pray that God grants them the wisdom and courage to lead with compassion, justice, and humility. May they serve with respect and generosity toward all people, recognizing the face of God in every individual.

As we move forward together, let us do so with prayerful hearts and deep respect for one another working for the common good.

As Americans, may we carry forth our mission as peacemakers, extending unity to all. Through the intercession of our Blessed Mother Mary, under her title of the Immaculate Conception, patroness of this nation, we ask that the Lord continue to bless our country.

Bishop Joe S. Vasquez

NOVEMBER 18 A FEAST DAY OF THE DEDICATION OF BASILICAS OF SAINT PETER & SAINT PAUL. Saint Peter's Basilica was originally built in 323 by the emperor Constantine. The basilica was constructed over the tomb of Peter the Apostle, the Church's first Pope. After standing for more than a thousand years, Pope Julius II ordered the building to be torn down due to structural concerns. The construction of the new church spanned over 200 years before its completion. It was dedicated on Nov. 18, 1626. It is considered the most famous church in Christendom.

Saint Paul's Basilica is located outside the original walls of Rome. It was also originally built by the emperor Constantine though it was destroyed by fire in 1823. Donations from around the world made the reconstruction possible. Before the completion of Saint Peter's Basilica, St Paul's was the largest church in Rome. The Basilica was built over St. Paul's grave. Pope Pius IX consecrated the Basilica in 1854.

These two churches continue to draw millions of faithful pilgrims each year as well as many visitors from other faiths. <https://www.catholicnewsagency.com/saint/dedication-of-the-churches-of-peter-and-paul-659>

A PRAYER FOR LIFE

O Jesus, you came that we might have life—and have it in abundance. Together with the Father and the Holy Spirit, you form us in our mothers' wombs and call us to love you for all eternity.

As your most precious gift of human life is attacked, draw us ever closer to your Real Presence in the Eucharist. Dispel the darkness of the culture of death, for you are the light that shines in the darkness, and the darkness cannot overcome it.

By the power of your Eucharistic Presence, help us to defend the life of every human person at every stage. Transform our hearts to protect and cherish all whose lives are most vulnerable.

For you are God, forever and ever. Amen.

This Week's Message:

"For man, this consummation will be the final realization of the unity of the human race, which God willed from creation and of which the pilgrim Church has been 'in the nature of sacrament'. Those who are united with Christ will form the community of the redeemed, 'the holy city' of God, 'the Bride, the wife of the Lamb.' She will not be wounded any longer by sin, stains, self-love, that destroy or wound the earthly community. The beatific vision, in which God opens himself in an inexhaustible way to the elect, will be the ever-flowing wellspring of happiness, peace, and mutual communion."

(Catechism of the Catholic Church, 1045)
